

YEAR	AUTHORS	TITLE OF PAPER	JOURNAL/BOOKS	VERSION / VOLUME
1960	Ramanujam K.	<i>A report on the use of Chloroquin Sulphate in Lepra reaction</i>	Leprosy Review	31:104-109
1961	Dharmendra, Noordeen S.K.	<i>Diethyl Dithioli Supthalate (Etisul) in the treatment of Leprosy</i>	International Journal of Leprosy	29:34-45
1961	Dharmendra, Ramanujam K.	<i>Childhood Leprosy</i>	Swasth Hind	5:12
1961	Dharmendra	<i>Present status in the treatment of Leprosy</i>	Swasth Hind	Dec 1961
1962	Dharmendra	<i>Leprosy in Japan</i>	Leprosy in India	34:249-266
1962	Dharmendra, Ramanujam K.	<i>Chemoprophylaxis of healthy child contacts with Sulphones</i>	Leprosy in India	34:103-110
1962	Ramanujam K.	<i>Garlic in the treatment of acute leprous neuritis</i>	Leprosy in India	34:174-176
1963	Dharmendra	<i>Regional variations in Leprosy</i>	Leprosy in India	35:7-10
1963	Mohamed Ali P.	<i>Facts and figures about Leprosy</i>	Leprosy in India	35:10-16
1963	Mohamed Ali P.	<i>Epidemiological Leprosy survey in Chengalpattu District of Madras state</i>	Leprosy in India	35:176-187
1963	Namasivayam P.R.	<i>Physiotherapy in Leprosy</i>	Leprosy in India	35:65-73
1963	Padma M.N.	<i>A standard technique of acid fast staining for M.Leprae in smears</i>	Leprosy in India	35:62-64

1963	Ramanujam K.	<i>Tapasole in the treatment of Leprosy</i>	Leprosy in India	35:3-6
1963	Srinivasan H.	<i>Tropic ulcers in Leprosy I pattern of distribution of trophic ulcers</i>	Leprosy in India	35:119-127
1964	Swaminathan C.S.	<i>Concentration of skin tissues for acid fast bacilli, comparison of 3 methods</i>	Leprosy in India	36:182-185
1964	Dharmendra, Iyer C.G.S. Ramanujam K., Ramu G.	<i>Indeterminate and borderline Leprosy</i>	Leprosy Review	35(supp):65-66
1964	Mohamed Ali P, Ramanujam K.	<i>Genetic and Leprosy: A study of Leprosy in twins</i>	Leprosy in India	36:77-86
1964	Mohamed Ali P.	<i>The age at onset of Leprosy</i>	Leprosy Review	35:193-197
1964	Noordeen S.K., Mohamed Ali P.	<i>A study of 579 families having multiple cases of Leprosy</i>	Leprosy in India	36:176-181
1964	Ramanujam K., Dharmendra, Ramu G.	<i>Treatment of Lepra reactions and some of its manifestations</i>	Leprosy in India	36:19-23
1964	Ramanujam K.	<i>A note on the use of intra neural corticoids in acute leprous neuritis</i>	Leprosy in India	36:261-264
1964	Ramu G., Ramanujam K.	<i>Reactive statues in Lepromatous Leprosy a study from clinical and bacteriological aspects</i>	Leprosy in India	36:3-19
1964	Srinivasan H.	<i>Tropic ulcers in Leprosy II- intrinsic muscles of the foot of trophic ulcers</i>	Leprosy in India	36:110-118
1964	Srinivasan H., Mukherjee S.M.	<i>Tropic ulcers in Leprosy III - surgical management of chronic foot - ulceration</i>	Leprosy in India	36:186-192

1965	Swaminathan C.S.	<i>Bacteriology of Leprosy</i>	Maharashtra Medical Journal	13;121-122
1965	Balakrishnan S.	<i>Blood Chemistry in acute exacerbation in Leprosy</i>	Leprosy in India	37:247-252
1965	Chakarabarti D.	<i>The theory of suprarenal cortex damage in Leprosy and its role in Leprosy including the exacerbation</i>	Leprosy in India	37:239-246
1965	Dharmendra, Mohamed Ali P. Ramanujam K., Noordeen S.K.	<i>Prophylactic value of DDS against Leprosy- An interim report</i>	Leprosy in India	37:447-467
1965	Dharmendra	<i>Legal measures in Leprosy</i>	Swasth Hind	Jan 1965
1965	Dharmendra	<i>Leprosy research in India</i>	International Journal of Leprosy	33:752-758
1965	Dharmendra	<i>Need for a balanced approach to Leprosy control</i>	International Journal of Leprosy	33:232-240
1965	Iyer C.G.S.	<i>Predilection of M.Leprae for nerves-Sequence of Histopathological changes</i>	International Journal of Leprosy	33:634-645
1965	Iyer C.G.S., Nath P.B.	<i>Histopathological features of reaction in lepromatous Leprosy</i>	Leprosy in India	37:4-9
1965	Iyer C.G.S., Nath P.B.	<i>Pathological changes in cutaneous lesions of borderline Leprosy</i>	Leprosy in India	37:311-320
1965	Mohamed Ali P.	<i>A Study of conjugal Leprosy</i>	International Journal of Leprosy	3:223-228

1965	Mohamed Ali P.	<i>Genetic influence in Leprosy</i>	Leprosy in India	37:252-267
1965	Namasivayam P.R.	<i>Hand in acute phases of Leprosy</i>	Leprosy in India	37:328-331
1965	Noordeen S.K.	<i>Statistical consideration in clinical trials with particular reference to Leprosy</i>	Leprosy in India	37:10-22
1965	Padma M.N.	<i>Choices of sites for routine smearing</i>	Leprosy in India	37:87-90
1965	Ramanujam K., Ramu G.	<i>Borderline Leprosy ,findings of a follow up study</i>	Proceedings of International Seminar ,Agra	295-305
1965	Ramanujam K., Ramu G.	<i>A study of borderline Leprosy from clinical bacteriological and immunological aspects</i>	Leprosy in India	37:303-311
1965	Ramu G. Ramanujam K.	<i>Lower dosage sulphone regimen in Leprosy</i>	Leprosy in India	37:293-299
1965	Srinivasan H.	<i>Care of hands and feet in Leprosy patients</i>	Swasth Hind	Jan 1965
1965	Srinivasan H.	<i>Determining factors in localisation of foot ulcers in Leprosy patients</i>	Leprosy in India	37:275-282
1965	Srinivasan H.	<i>Ulceration of foot in Leprosy patients</i>	antiseptic	April 1965
1966	Chakarabarti D.	<i>Health education in Leprosy</i>	Leprosy in India	38:35-42
1966	Dharmendra, Ramanujam K. Ramu G.	<i>Pure poly neuritic Leprosy of tuberculoid type</i>	Leprosy in India	38:12-158
1966	Iyer C.G.S.	<i>Certain aspects of early forms of Leprosy</i>	Maharashtra Medical Journal	13:117-120

1966	Mohamed Ali P., Prasad K.V.N.	<i>Contact survey in Leprosy</i>	Leprosy Review	37:173-182
1966	Mohamed Ali P., Ramanujam K.	<i>Leprosy in twins</i>	International Journal of Leprosy	34:405-407
1966	Mohamed Ali P.	<i>Epochs in our fight against Leprosy</i>	Maharashtra Medical Journal	13:127-129
1966	Mohamed Ali P.	<i>Genetic influence in Leprosy</i>	Leprosy in India	10:145-147
1966	Mukherjee S.M.	<i>Management of uncomplicated planter ulcers in the field</i>	Leprosy in India	38:107-115
1966	Mukherjee S.M.	<i>Prevention of Deformity</i>	Maharashtra Medical Journal	13:123-125
1966	Noordeen S.K.	<i>Epidemiology of Leprosy</i>	Maharashtra Medical Journal	13:133-134
1966	Noordeen S.K., Srinivasan H.	<i>Epidemiology of disability in Leprosy: A general study of disability among male Leprosy patients above 15 years of age</i>	International Journal of Leprosy	34:159-169
1966	Prasad K.V.N, Mohamed Ali P.	<i>ABO blood groups and Leprosy</i>	International Journal of Leprosy	34:398-404
1966	Ramanujam K.	<i>Leprosy its diagnosis</i>	Maharashtra Medical Journal	13:113-116
1966	Ramanujam K. Ramu G.	<i>Small pox vaccination and acute exacerbation of Leprosy</i>	Leprosy in India	38:3-9

1966	Ramanujam K., Ramu G.	<i>Calcification of peripheral nerve trunk in Leprosy, report of a case</i>	Leprosy in India	38:185-190
1966	Srinivasan H., Noordeen S.K.	<i>Epidemiological of disability in Leprosy 2 factors associated with low disability</i>	International Journal of Leprosy	34:170-174
1966-67	Srinivasan H.	<i>Disorganisation of foot in Leprosy patients</i>	Proceedings of orthopedics sec. Association of surgeons India	3:no.2,1966-67
1967	Dharmendra, Noordeen S.K., Ramanujam K.	<i>Prophylactic value of DDS against Leprosy -A further report</i>	Leprosy in India	39:100-106
1967	Iyer C.G.S.	<i>Further observations of the pathological changes in borderline Leprosy, proc</i>	International Seminar of Leprosy	306-313
1967	Prasad K.V.N, Mohamed Ali P.	<i>Some genetics aspects in epidemiology of Leprosy - study of multiple case families</i>	Leprosy Review	38:49-56
1967	Prasad K.V.N, Mohamed Ali P.	<i>Incubation period of Leprosy</i>	Indian Journal of Medical Research	55:29-42
1967	Ramanujam K.	<i>Sulforthomidine (RO4 -4393) in the treatment of lepromatous Leprosy</i>	Leprosy in India	39:95-99
1967	Ramu G.	<i>Neuritis in Leprosy</i>	Leprosy in India	39:153-154
1967	Ramu G.	<i>Treatment of lepra reaction</i>	Leprosy in India	39:2-5

1967	Srinivasan H., Noordeen S.K.	<i>Rehabilitation in Leprosy a study of the nature and extent of the problem in rural area</i>	Journal of Rehabilitation in Asia	8:9-14
1967	Srinivasan H.	<i>Reconstructive surgery and prevention of neuropathic plants ulcers</i>	proceedings of international Leprosy seminar	Agra pp.328-333
1968	Balakrishnan S.	<i>Application of a spot tests for detection of DDS in urine</i>	Leprosy in India	40:1-5
1968	Balakrishnan S.	<i>Blood and urinary levels of DDS in reaction to dosage</i>	Leprosy in India	40:125-128
1968	Dhople A.M., Balakrishnan S.	<i>Liver function tests in Leprosy</i>	Indian Journal of Medical Research	56:1552-1558
1968	Iyer C.G.S., Desikan K.V.	<i>Nerve involvements in Leprosy pathogenis and significance</i>	Neurology India	16:89-92
1968	Mukherjee S.M.	<i>Ulcer care at CLTRI</i>	Leprosy in India	40;133-136
1968	Noordeen S.K.	<i>Chemoprophylaxis in Leprosy</i>	Leprosy in India	40:115-119
1968	Ramanujam K., Ramu G.	<i>Lepra reaction</i>	International Journal of Leprosy	36:636
1968	Ramanujam K., Ramu G.	<i>Toxic reactions to parent sulphone report of four cases</i>	Leprosy in India	40:6-12
1968	Ramanujam K., Ramu G.	<i>Two decades of sulphone therapy in Leprosy</i>	Leprosy in India	40:106-110
1968	Ramu G., Balakrishnan S.	<i>Arthritis in lepromatous Leprosy clinical features and biochemical findings</i>	Leprosy in India	40:62-69

1968	Srinivasan H., Mukherjee S.M., Subramaniyan R A	<i>Two tailed transfer for tibials posterior tendon for correction of drop foot in Leprosy patients</i>	Journal of Bone and Joint Surgery	50B:623-628
1968	Srinivasan H.	<i>Problems of neuropathic planter ulcers</i>	Leprosy in India	40:129-132
1969	Christain M.	<i>Leprosy in Laccadive islands</i>	Leprosy in India	41:266-270
1969	Noordeen S.K., Srinivasan H.	<i>Deformity in Leprosy An epidemiological study</i>	Indian Journal of Medical Research	57:175-181
1969	Noordeen S.K.	<i>Chemoprophylaxis in Leprosy</i>	Leprosy in India	41:247-254
1969	Ramanujam K., Ramu G.	<i>Wad's Histoid lepromatous Leprosy ,report of a clinical study</i>	Leprosy in India	41:293-297
1969	Ramu G., Ramanujam K.	<i>Low dose sulphone treatment of Leprosy</i>	Leprosy in India	41:271-276
1969	Srinivasan H.	<i>Correction of thumb in Leprosy patients</i>	Leprosy in India	41:310-314
